

The Crusader Club was established in 2001 to give St. John's dads a direct way to support the school. The Crusader Club sponsors social and fundraising events for dads, helps with school functions, and provides dads a unique opportunity for school participation and giving financial support. Crusader Club members attend breakfast meetings - sometimes with the kids, sometimes without - and participate in several events throughout the year, including the "Suds 'n Buds" fall social and the annual Crusader Club Classic Golf Tournament. Membership dues help support these and many other activities.
