

## St. John's Episcopal School 4th grade Summer Reading 2018

During the summer, each 4<sup>th</sup> grade student is required to read *The Lemonade War* by Jacqueline Davies. Paperback copies are widely available, or electronic versions are available through Amazon or iBooks. We will be using this book for our first unit of study in the fall, so you may want to read it close to the beginning of school. You will also select additional reading choices so that the total summer reading (**not** including the required book) equals a **minimum of 250 pages**. Of course, you may read more! For your convenience, I have included a list of suggested titles. You are not limited to books from the list. **On the first day of school, you will turn in a complete log of books read over the summer.** Please use the attached form for your reading log.

Choose **one** favorite book from your summer reading (other than the required reading) and be prepared to discuss your choice with your classmates during the first week of school. The idea will be to share a wonderful reading experience and try to get your classmates excited about reading a book that you enjoyed. *No project is required.*

The most important thing is to read, read, read! Enjoy the time you spend reading, and enjoy your summer! I am looking forward to sharing your 4<sup>th</sup> grade year with you!

Happy Reading,  
Mr. Telzrow
