

2018

SAY  
*Hello*  
TO SUMMER  
AT ST. JOHN'S

ST. JOHN'S  
EPISCOPAL SCHOOL

## Welcome to Summer at St. John's

Join us for a fun-filled summer with camps for every age and interest. Experience camp favorites like Adventures in the Metroplex, American Girls, Camp I-Can-Cook, Dodgeball and Commune with Your Community. Try great new camps like Drone Flight Academy, Build Your Own Computer, Vet Camp, Paw Patrol and more. Browse our camp descriptions or get a bird's eye view with "At A Glance" on page 3.

We look forward to seeing you this summer!

### Lynn Granello

*Director  
Summer at St. John's*

### Laurie Bret

*Assistant Director  
Summer at St. John's*

**PRE-K THRU  
8TH GRADE**

**JUNE 4TH  
THRU  
JULY 27TH**

**BEFORE CARE:  
7:30AM-9AM  
AFTER CARE:  
4PM-6PM**

**MORNINGS:  
9AM-12PM  
AFTERNOONS:  
1PM-4PM  
FULL DAYS:  
9AM-4PM**

**Enrollment is open to all children four years old by September 1, 2018. Please register for camps according to the grade your child will enter in the fall of 2018.**

Children who are enrolled for full-day camps or for both morning and afternoon camps will need to bring a sack lunch (unless on a camp field trip). Campers will have a supervised lunch and recess period from 12:00 pm to 1:00 pm.

Please be mindful that Summer at St. John's is a nut-sensitive camp program. All snacks provided by the camp are nut-free and campers staying for lunch may not bring any food containing peanuts or tree nuts.

Before and after camp care is available to accommodate busy summer schedules. Full week before/after care is available for sign-up during the online registration process. Before and after camp care is also available as a drop-in for \$10 per care session. This may be arranged by emailing [summer@stjohnsschool.org](mailto:summer@stjohnsschool.org) or calling the summer office at 214.328.9131 x116.

Summer at St. John's reserves the right to limit camp enrollment size and/or cancel camps if minimum enrollment is not met. Reimbursement for cancelled camps will be paid in full.

If you find it necessary to cancel your child's camp registration, refunds will be provided according to the following procedure:

- A full refund, less administrative processing fee of \$50, will be provided if cancellation occurs prior to two weeks in advance of the commencement of the camp session.
- Fifty percent of the camp fee will be refunded if requested in writing prior to one week before the commencement of the camp session.
- No refund will be made within one week of the commencement of the camp session.

**For Questions: Contact Lynn at [summer@stjohnsschool.org](mailto:summer@stjohnsschool.org) or call 214.328.9131 x224**

# SESSION 1

## ABC'S OF CHESS

**Herminio Baez**  
**Mornings**

**K-5th**  
**\$225**

Master the Game of Kings! Learn about chess notation, openings and great tactics like skewers, pins, x-ray attacks and more. You will also learn the rules of tournament chess including various timed chess games. It's your move!

## ALL THINGS OUTDOORS

**Rebecca Freyenberger**  
**Full Days**

**5th-8th**  
**\$395**

Summer is the perfect time for the great outdoors! Enjoy hiking, biking, rock climbing, orienteering and geocaching. You'll face challenges, celebrate achievements, and develop leadership skills. Be a healthy, inspired and confident adventurer as you try new activities and explore nature.

## BACK TO NATURE

**Susan Benton and Morgan Martinez**  
**Mornings or Full Days**

**Pre-k-1st**  
**\$225/\$385**

Trek through the beautiful St. John's campus (hiking boots not required) as you explore the surroundings and get back to nature. Field discoveries will be transformed into lasting treasures to commemorate your week's adventures. Stories, games and crafts round out the experience. A peaceful rest period after lunch is included for those enjoying the full-day camp.

## BUILD YOUR OWN STRINGED INSTRUMENT

**Martin Delabano**  
**Mornings**

**5th-8th**  
**\$395**

Experience the joy of working with your hands as you build a soprano or tenor ukulele, dulcimer, violin or campfire mandolin with Mr. Delabano. At the end of camp, take home a beautifully crafted stringed instrument, as well as an instrument songbook. You'll also have a basic understanding of how to play your handmade instrument. First-time campers should start with the ukulele; those who have already taken the camp may make a dulcimer, violin or mandolin.

## EXPRESS YOURSELF

**Monica Breeding and Jan Breed**  
**Full Days**

**K-3rd**  
**\$385**

Express yourself while learning from the masters. Paint like impressionists such as Monet and Van Gogh, work with sunflowers like O'Keeffe, and sculpt with wire and glass like Calder. Experience many types of art media while expressing your creativity. All works of art will be displayed in our camp gallery art show on the last day of camp.

## FABULOUS FUN WITH FANCY NANCY

**Kellie Day**  
**Full Day**

**Pre-k-1st**  
**\$385**

Bonjour! Come have a fun week with Fancy Nancy and enjoy all things fancy. Explore Nancy's world and have a relaxing day at the spa, a pajama party, movie day, dress-up tea party and many more fancy activities. We can't wait to be fancy, make crafts, and learn all the fabulous new words to build your vocabulary!

## FILMMAKING

**Tom Parr**  
**Mornings**

**5th-8th**  
**\$225**

Learn to write, record, perform and edit an original short film with fellow campers! You will also create individual short films from multiple genres: comedy, drama, horror, etc... Be a film sensation!

## FIRST TEE GOLF

**Sportkinetics**  
**Mornings**

**1st-6th**  
**\$225**

First Tee Golf makes learning basic golf skills fun and easy through an innovative curriculum created in association with the PGA, LPGA, Champions Tour and Masters Golf Association. Learn the four basic shots of golf: putting, chipping, pitching and the full swing. Equipment is specifically designed for young children with oversized club faces, color-coded grips, and target-oriented training tools and alignment markings. Come learn to golf!

## FUN IN THE METROPLEX

**Cindy Isbell and John Walker**

**3rd-8th**

**Full Days**

**\$450**

There is so much to see and do in the Dallas–Ft. Worth Metroplex! Hop on the bus for a week of fun activities. There's bowling, laser tag, Top Golf, Six Flags, movies and much more. Lunch and snacks will be provided. Wear comfortable clothes and your walking shoes.

## IMPROV

**Tom Parr**

**5th-8th**

**Afternoons**

**\$225**

Think fast! The art of improv is a fast-paced, fun-filled experience. Play all of the games and learn the many techniques to give you the quickest wit. This camp will end with a hilarious improv performance for your friends and family.

## JUNIOR STEAM KIDS

**Jack Nelson**

**1st-4th**

**Mornings**

**\$225**

STEAM skills can make a huge impact on your ability to solve difficult problems by using outside-the-box thinking skills. Our youngest future engineers gain foundational skills in this holistic STEAM camp by learning basic electronics, engineering, construction, computer programming (coding) and robotics all in one action-packed, hands-on week.

## KARATE KIDS NINJA

**Chamberlain Studio of Self Defense**

**K-6th**

**Mornings**

**\$225**

Enjoy a fun-filled week of karate, martial arts and self-defense. Learn the basics or improve your martial arts skills. You will experience and use the acclaimed 3-Steps to a Great Kid™ martial arts character development program. Learn kicking, blocking and striking skills, self-defense techniques, Brazilian jiu-jitsu, martial arts history, appropriate times for martial arts use, and much more.

## LEGO ENGINEERS – GIRLS RULE!

**Championship Robotics**

**1st-8th – Girls**

**Afternoons**

**\$225**

Girls love building with LEGO, too! Use the latest and greatest motors and gears while building remotely controlled robots, vehicles and creatures. Build a steerable stunt plane, a ClawBot, a speed racer, a wacky robot and super-fast dune buggy. Every engineer is awarded a LEGO mini-figurine, an exclusive "Future Engineer" medallion and personalized backpack tag. Girls with dreams become women with vision!

## LEGO JEDI TRAINING CAMP

**Father John Thorpe and Connie Cook**

**Pre-k-1st**

**Full Days**

**\$385**

Are you ready to engage in games, crafts, challenges and plenty of creative building time in a galaxy of our own? Using LEGO and your creativity, join fellow Jedi in a battle against the Dark Side of the Force. In the end, good triumphs over evil!

## MIXED MEDIA MASTERPIECE

**Studio Bella**

**K-4th**

**Afternoons**

**\$225**

Love to paint, draw, sculpt, design and everything in between? "Art soup" mixes and mashes all types of art to create a mixed media work of art each day! Roll up your sleeves and prepare to dive into painting and designing, creating kinetic art (art that moves), building and drawing all week long. You will combine new processes every day to create mixed media masterpieces!

## NATURAL ARCHITECTURE

**Studio Bella**

**1st-4th**

**Mornings**

**\$225**

Attention architects and nature lovers! Build an innovative city from the ground up in five days, using supplies from nature, gathered on harvesting trips around campus, and construction gear from Studio Bella. Collaborate with fellow campers to build a city that includes commercial buildings, roads, housing and even a park! Makers' design thinking at its best!

## POTTERY WHEEL CAMP

**Studio Bella**

**K-5th**

**Afternoons**

**\$245**

Get ready to get your hands dirty as you dive into the world of pottery by making pots, vases, pitchers and more. Venture into coil pots, slab pots, tile and mixed media pieces, too. Learn about texture and faux glaze to make the perfect pieces. The best part? You get to take the pottery wheel home as you continue to grow your pottery passion!

## SOFT STICK LACROSSE

**Sportkinetics**  
**Afternoons**

**1st-6th**  
**\$225**

Lacrosse is the nation's fastest growing sport. Soft stick lacrosse will introduce this great sport to boys and girls and will help develop the tactical, technical and cooperative skills needed to enjoy success on the lacrosse field. This is a great opportunity to explore lacrosse, and for more experienced players, will provide the skills and knowledge necessary to enjoy a great lacrosse season.

## SUMMER SLUMBER PARTY

**Katie Burkhead and Rebecca Crouse**  
**Full Days**

**K-3rd**  
**\$385**

Do you love slumber parties? Join us for a summer slumber party that lasts all day long! We will paint nails, do facials, play games, cook treats and so much more! Bring your friends, wear your jammies, and get ready for a weeklong party!

## SUPER MAKERS: BUILD YOUR OWN COMPUTER

**Josh Del Regno**  
**Afternoons**

**3rd-8th**  
**\$395**

Build your own computer! Using Kano computer parts and your engineering skills, Mr. Del Regno will teach you to build a complete working computer. Then use it to access all the cool coding apps to help grow your programming and engineering skills. Who wants to buy a computer when you can build your own!

## TECH DETECTIVES

**Micah Sudbury**  
**Mornings**

**Pre-k-1st**  
**\$225**

Get your magnifying glass ready and join us to solve important cases at places like Cyber Space, Network Neighborhood and Keyboard Castle! Computer detectives will unlock new ways to use technology to solve meaningful problems. Important STEAM skills are introduced as you learn keyboarding, technology, Internet safely, reading and writing. We will integrate critical thinking and creative components throughout the week, giving you many opportunities to express yourself as you do your work as a Tech Detective!

# SESSION 2

Session 2  
June 11 - 15

## ADVENTURES AT SEA

**Little Scholars**

**Pre-k-K**

**Afternoons**

**\$225**

Ahoy, mateys! Let's set sail on an adventure into the world of pirates and mermaids. Treasure hunts, sand castle building and mystical ocean discoveries await us. Our adventurers will dive deep into music, art, language development and social skills. Uncover great treasures as you set sail for a week of fun!

## ART OF SCIENCE

**Tania Kader and Tyler Jones**

**1st-3rd**

**Full Days**

**\$385**

Ever wonder about the chemistry of color and paint? Do you know how and why beautiful crystals are formed? Learn to make your own paint and create a work of art. Travel into a microscopic world revealing unbelievable color and design. Create beautiful and delicious science experiments – and then eat them! Come join the fun and be dazzled by the surprising relationship between art and science.

## BEST EVER PLAYGROUND CRAWL

**Jennifer Powers**

**1st-3rd**

**Mornings**

**\$225**

Play, laugh and splash! Let's hop on the bus and hit the area's most popular playgrounds. After that, let's visit one of the local splash parks to cool off. Wear a bathing suit under your clothes and bring a towel, sunscreen and water bottle.

## BOARD AND COLLECTIBLE CARD GAMES

**Eric Telzrow**

**3rd-8th**

**Mornings**

**\$225**

Calling all board game and collectible card game fanatics! Whether you enjoy standard board games like Monopoly and The Game of Life, complex strategy games like Settlers of Catan or Puerto Rico, group games like Mafia or Apples to Apples, or even collectible card games like Magic the Gathering or Pokemon, this camp is for you! Explore new games, and master old and new favorites.

## BUILDERS IN TRAINING

**Little Scholars**

**Pre-k-K**

**Mornings**

**\$225**

Calling all inventors, builders and designers! Come and build some awesome creations with us! We will design and make our own structures using LEGO, recyclable materials and many other interesting items. Learn and practice communication, problem solving, thinking outside the box and teamwork skills while creating awesome structures.

## CAMP I-CAN-COOK!

**Katie Specht and Susan Benton**

**1st-3rd**

**Full days**

**\$395**

Looking for a way to escape the heat? Hurry! Hurry! We have eggs to beat! The oven will be warm, and you'll be glad. A lip-smacking good time is sure to be had! Whip on in to our kitchen for Camp I-Can-Cook! We will make a full meal each day and master chefs will work on many other creative projects as well. Each camper will leave with a cookbook full of recipes and an excitement for new culinary adventures.

## COLORFUL CRITTERS: PASTEL PAINTING AND DRAWING

**Young Rembrandts**

**K-5th**

**Afternoons**

**\$225**

Animal lovers rejoice; an all-new, all-pastel painting workshop is here! Pastels are a "dry" paint that allow campers to use techniques similar to painting. Learn pastel drawing and texturing techniques to illustrate whimsical bees, a fanciful army of frogs, a striking owl and other animals with artistic detail. Explore your creativity through the world of pastels.

## COMMUNE WITH YOUR COMMUNITY

**Tracey Gonzales and Megan Nasser**  
**Full Days**

**5th-8th**  
**\$385**

Make a difference in your community and discover the joy of giving. We'll volunteer with a variety of organizations including White Rock Center of Hope, The Stewpot, C.C. Young Retirement Community, Dallas Animal Services and more. Campers will receive credit for 35 volunteer hours, which may be used to meet school, Scouting, confirmation class and other requirements. Give of yourself and help make a difference!

## DISCOVER MAGIC: GREEN WAND

**Dal Sanders**  
**Mornings**

**2nd-8th**  
**\$230**

The Dallas Magic Academy offers three different magic camps at Summer at St. John's for 2018 – purple wand, green wand and orange wand. Each camp features new and different magic tricks and may be taken in any sequence. You will receive amazing custom tricks and props with full color instructions, top-secret file folders with bonus extras, and a cool messenger bag to carry your magic supplies. Learn the eight traits of a true magician and receive secret code key cards to unlock bonus magic effects and secrets online. Discover Magic builds self-confidence, teaches respect, inspires creativity and improves social skills in a safe and friendly environment.

## DISNEY CAMP

**Katie Burkhead and Rebecca Crouse**  
**Full Days**

**Pre-k-1st**  
**\$385**

Do you love great Disney movies? Let's explore some of your favorites! Make crafts, cook special movie treats, watch beloved movies, and then find new ways to creatively pretend and play using the Disney characters to spur your imagination. This camp is perfect for any Disney lover! Come spend the day with us as we unlock the magic of Disney!

## LEGO TECHNIC: SPECIAL FORCES

**Jack Nelson**  
**Mornings**

**1st-8th**  
**\$225**

"Be all you can be," when you build and modify remotely-controlled and motorized LEGO Technic military vehicles. Race your Hummer through an obstacle course, navigate hostile waters in your Navy Destroyer, dodge enemy fire in your Bearcat F8F fighter aircraft, attack with your UH-60 Black Hawk Helicopter, and blow them away with your customized M1 Abrams Tank! Led by a US Army veteran infantryman, every soldier and sailor is awarded a LEGO mini-figurine, collectable dog tag and personalized backpack tag. No one is left behind!

## LET'S GO HAVE FUN!

**Cindy Isbell and John Walker**  
**Full Days**

**3rd-8th**  
**\$450**

Get ready for a week of sports, culture and history! Hop on the bus for fishing, jumping, exploring, painting and lots more. Lunch and snacks will be provided. Wear comfortable clothes and your walking shoes.

## RUMBLE IN THE JUNGLE: BUILDING MOTOR SKILLS

**Monica Breeding and Jan Breed**  
**Full Days**

**Pre-k-1st**  
**\$385**

Come be a jungle explorer while building and strengthening your fine- and large-motor skills! We'll monkey around in the morning while building grasp development, eye-hand coordination, coloring and scissor skills, fine-motor control and strengthening skills. In the afternoon, we'll roar like lions and march with our elephant friends while developing multi-sensory and large-motor skills. Each camper will make a mini fine-motor kit for home use.

## SOCCER

**Rebecca Freyenberger**  
**Mornings**

**K-4th**  
**\$225**

Find joy in the most popular game in the world while learning positive team values and life lessons from Coach Freyenberger. We will focus on individual and team soccer skills. Players will work on agility, ball-handling skills and physical fitness. Kicking, trapping, passing and shooting are introduced and practiced. Learn soccer in a positive, relaxed environment with a coach experienced in making sports fun for young children!

## STAR WARS: THE CLONE WARS

**Jack Nelson**  
**Afternoons**

**1st-8th**  
**\$225**

Prepare for the Clone Wars! Based on Star Wars episodes I – III, you will build remotely-controlled, motorized LEGO Technic battle droids, speeders, ships or tanks. Adventures will include racing your speeder bike, chasing Zam through Coruscant on your air speeder, navigating your pod through the challenging obstacle course, and battling your tanks in the Clone Wars. Every trained Padawan leaves with a LEGO mini-figurine, a Star Wars collectable dog tag and personalized backpack tag. Help the Jedi fight the Dark Side!

## SUMMER MUSICAL

**two-week camp!**

**Tom Parr**  
**Full days**

**2nd-8th**  
**\$770**

Get ready to cast, rehearse, design and put on a full show in just two weeks! Learn about blocking, auditions, movement and vocal techniques while having a ton of fun! Campers will receive scripts to keep and memorize. On the last day, we will have two performances! The play will be chosen based on the number of participants in the camp.

## U.S.T.A. UNDER TEN TENNIS

**Sportkinetics**  
**Afternoons**

**1st-4th**  
**\$225**

Would you love to play tennis, but get too hot in the summer sun? Come join us inside for Under Ten Tennis! Developed to introduce kids to the game of tennis using specialized equipment, smaller court dimensions and modified scoring, all Under Ten Tennis equipment is specially designed to suit the needs of beginning players. Racquets are made with super light carbon fiber, shorter grips and an oversized face to make great shots happen all the time.

## VIDEO STAR HIT SENSATION

**Eric Telzrow and Laura May**  
**Afternoons**

**3rd-6th**  
**\$225**

Are you the next Taylor Swift? Justin Bieber? Katy Perry? We are looking for dancing, singing, performing kids to help us make premium music videos that could surely go viral. You must be full of SO MUCH ENERGY, be ready to dab and possess mad vocal abilities! We are ready to blow the roof off this place, and need aspiring future rock stars to help us!

## WOODWORKING MAKER'S CAMP

**Thor Herrin**  
**Afternoons**

**5th-8th**  
**\$235**

Use your imagination and reclaimed materials to make a wide variety of objects from birdhouses and spice racks to wooden doormats and even desks. Bring ideas to life while learning about the safe use of power tools, stains and paints, and other essential skills. Open to anyone, from the woodworking beginner to a seasoned carpenter. Projects are customized to each camper's interest and skill level. You get to keep everything you make!

# SESSION 3

## ABC'S OF CHESS

**Hermínio Baez**  
**Mornings**

**K-5th**  
**\$225**

Master the Game of Kings! Learn about chess notation, openings and great tactics like skewers, pins, X-ray attacks and more. You will also learn the rules of tournament chess including various timed chess games. It's your move!

## AMERICAN GIRL: CELEBRATE THE HOLIDAYS

**Monica Breeding and Jan Breed**  
**Full Days**

**K-3rd**  
**\$395**

CELEBRATE! Come be a part of the American Girl summer holiday soiree! Each day, you and your American Girl will celebrate a different holiday: Halloween, Christmas, Valentine's Day and the Fourth of July. We will end our festive week with lunch at the American Girl Bistro at the Galleria.

## ARTSY ANIMALS STUFF AND FLUFF

**Trish Lopez**  
**Mornings**

**Pre-k-4th**  
**\$225**

Get ready for a fun and unique workshop filled with art activities and animals! Handstuff a new furry friend to help you create art throughout the week. Make mosaics with paper, beads and stones, and create painted sculptures of your animal. You'll even paint a canvas portrait of your animal. It is a great camp for those who love hands-on art activities.

## CAMP I-CAN-COOK!

**Katie Specht and Susan Benton**  
**Full days**

**1st-3rd**  
**\$395**

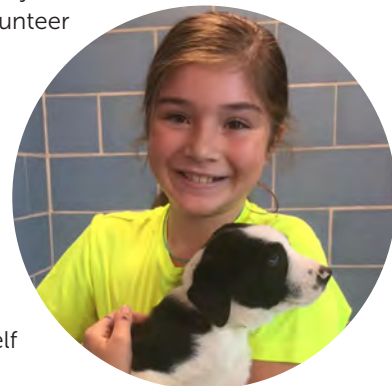

Looking for a way to escape the heat? Hurry! Hurry! We have eggs to beat! The oven will be warm, and you'll be glad. A lip-smacking good time is sure to be had! Whip on in to our kitchen for Camp I-Can-Cook! We will make a full meal each day and master chefs will work on many other creative projects as well. Each camper will leave with a cookbook full of recipes and an excitement for new culinary adventures.

## COMMUNE WITH YOUR COMMUNITY

**Tracey Gonzales and Megan Nasser**  
**Full Days**

**5th-8th**  
**\$385**

Make a difference in your community and discover the joy of giving. We'll volunteer with a variety of organizations including White Rock Center of Hope, The Stewpot, C.C. Young Retirement Community, Dallas Animal Services and more. Campers will receive credit for 35 volunteer hours, which may be used to meet school, Scouting, confirmation class and other requirements. Give of yourself and help make a difference!

## CONSTRUCTION ZONE: DIY EDITION

**Danielle Dupuis**  
**Mornings**

**K-5th**  
**\$250**

Are you interested in working with wood, hammers, nails, textiles and paint to create and build hands-on projects? This fun camp is ideal for girls and boys who like to tinker and be creative. Make your own geoboard game, yarn art and useful wooden cases. You will also work collaboratively on inventive building projects. A wide variety of construction options is sure to spark your building genius!

## DISCOVER MAGIC: PURPLE WAND

**Dal Sanders**  
**Mornings**

**2nd-8th**  
**\$230**

The Dallas Magic Academy offers three different magic camps at Summer at St. John's for 2018 – purple wand, green wand and orange wand. Each camp features new and different magic tricks and may be taken in any sequence. You will receive amazing custom tricks and props with full color instructions, top-secret file folders with bonus extras, and a cool messenger bag to carry your magic supplies. You will also learn the eight traits of a true magician and receive secret code key cards to unlock bonus magic effects and secrets online. Discover Magic builds self-confidence, teaches respect, inspires creativity and improves social skills in a safe and friendly environment.

## FAIRY TALE CAMP

**Tippi Toes Dance and Drama**  
**Afternoons**

**Pre-k-2nd**  
**\$225**

Once upon a time in a not so far away land, Tippi Toes® planned a magical Fairy Tale Dance Camp. Boys and girls come from near and far to spend time with princesses, super heroes and other magical characters. Together they dance, share stories, play games and create fairy tale crafts. At the end of the week, special friends are invited to join us at an awards presentation and special performance. Come dance into our fairy tale!

## FUN AND GAMES

**Ashley Leake**  
**Mornings**

**2nd-6th**  
**\$225**

Let's unplug for a week this summer and have good, old-fashioned fun! We will play indoor and outdoor games with boards, marbles, dice, cards, balls and more. Play classic and new games of luck, skill and strategy. When we are not playing games, we will make games. Each camper will take home a bag of games and "boredom busters" at the end of the week so they will have fun with friends and family the rest of the summer. Parents: Shhh! Don't tell your kids, but games teach and reinforce higher order thinking, memory, sportsmanship, problem solving, strategy, gross and fine motor skills, math and reading.

## GAMESTAR MECHANIC: GAME DESIGN AND CODING

**Dr. Jayme Johnson**  
**Mornings**

**3rd-8th**  
**\$225**

Gamestar Mechanic is a coding and gaming camp with fun themes for guys and girls alike. During camp, you will receive your own Gamestar Mechanic account, which will last forever, allowing you to continue learning and playing through the game levels long after camp is over. You'll play through each exciting level, learning how to code and debug errors as you go. Each level is increasingly challenging. Soon, you will have the skills necessary to begin coding your own games to share and play with your friends!

## GET ON THE BUS AND GO!

**Cindy Isbell and John Walker**  
**Full Days**

**3rd-8th**  
**\$450**

Are you ready for some fun? Then this camp is for you. We're taking the bus to join in activities involving sports, art, animals, history and lots more. Lunch and snacks are provided. Wear comfortable clothes and your walking shoes.

## KIDOKINETICS: FITNESS MADE FUN!

**Sportkinetics**  
**Mornings**

**Pre-k-K**  
**\$225**

Kidokinetics camps provide a fun, healthy week of exercise, games, nutrition and sports activities. Play new games every day, make fun crafts, eat healthy snacks and read books promoting active lifestyles. Kidokinetics programs follow standards established by the National Association of Sports and Physical Education and FitnessGram®.

## LEGO NINJAGO

**Tania Kader and Tyler Jones**  
**Full Days**

**Pre-k-1st**  
**\$385**

Help! We need to save the city of NINJAGO! Spend the week training to master the ancient art of Spinjitzu and defeat the evil warlord Garmadon. Build the city of NINJAGO, and save it from harm. Make ninja outfits, hone your ninja skills, and complete ninja quests. You will learn the importance of working as a ninja team in order to save NINJAGO!

## LITTLE MOZART PIANO CAMP

**Sarah Strout Studios**  
**Afternoons**

**Pre-k-1st**  
**\$225**

Have you ever thought that it would be fun to play the piano? If so, this is the camp for you! Learn how to play the piano and much more in this fun music camp. Sing, play games and try fun activities that help you learn listening skills, pitch matching, singing, rhythm and movement. Parents and special friends will enjoy your end of camp performance featuring piano pieces mastered in only one week, singing and even a bit of acting from our great week at camp.

## ODD SQUAD ADVENTURES

**Father John Thorpe**  
**Mornings**

**1st-3rd**  
**\$225**

Is something odd happening? You need to call...the Odd Squad! Based on a popular PBS show, our camp combines basic math concepts with a paranormal detective agency. Agents will team up to investigate odd and strange events all around the campus. They will rely on strong reasoning and math skills – with more than a little courage and inventiveness – to solve problems and stop the plots of some very odd super-villains.

## SPACE WARS

**Challenge Island  
Afternoons**

**1st-6th  
\$225**

Get ready for some out of this world excitement at Challenge Island® Space Wars Camp! Our interplanetary tribes will take on a galaxy full of movie-inspired challenges including building spaceships, designing droids and launching lunar rockets. The force will be with us at this stellar camp adventure.

## SPIRIT ANIMAL MASK AND COSTUME CAMP

**Oil and Cotton  
Afternoons**

**K-6th  
\$250**

Transform yourself into your spirit animal. Draw, paint, sculpt and more during a week of mixed media fun. Learn the fundamentals of design and fabrication, through mask making and costume creation. You will begin by using your drawing skills to sketch and render a plan for masks and costumes. Then explore painting techniques to bring your drawing to life. Use repurposed materials to experiment with building textured surfaces and engineering 3-dimensional shapes. Printmaking and surface design with dyes and fabric paint will embellish your costumes.

## YEARBOOK AND PERFORMANCE PHOTOGRAPHY

**Jacques Vroom  
Full Days**

**6th-8th  
\$385**

Get ready to be a great photographer for your school yearbook! Master the aperture/shutter-speed/ISO triangle, your camera's auto-focus system, composition, posing and basic lighting choices. More importantly, use your knowledge and experience every day, to become a better photographer. By the end of camp, you will have created a 20-page e-book. You may use your own camera, or use a Canon or Nikon DSLR provided for the camp. No prior experience needed.

## WATERCOLOR WONDER

**Oil and Cotton  
Mornings**

**K-6th  
\$250**

Learn the fundamentals of painting through the exploration of watercolor. You will use a variety of watercolor paints, brushes, papers and special painting tools to build your own artist's kit. Understand the science of color theory through experiments in color blending to create a spectacular spinning color wheel. Practice different brush techniques and study the effects achieved by the variety of brushes and strokes. Use these techniques to create paintings based on master artists Georgia O'Keeffe, David Hockney and Winslow Homer.

# SESSION 4

Session 4  
June 25 - 29

## 3D PRINTING AND MODELING

**High Tech Kids**

**4th-8th**

**Afternoons**

**\$250**

Using the professional 3D Design software Blender, you will master advanced skills for 3D modeling including sculpting, subdividing, choosing materials, shading, lighting and rendering. You will navigate the XYZ axes, combine and modify simple shapes to create complex designs. Watch your creation come to life on the 3D printer!

## ADVENTURES IN THE METROPLEX

**Cindy Isbell and John Walker**

**3rd-8th**

**Full Days**

**\$450**

There is so much to see and do in the Dallas-Ft. Worth Metroplex! Hop on the bus for a week of great adventures such as fishing, skating, going to Six Flags, obstacle courses, the movies and a lot more. Lunch and snacks will be provided. Wear comfortable clothes and your walking shoes.

## ARTISTS AND ANIMATORS

**Jack Nelson**

**3rd-8th**

**Afternoons**

**\$225**

Learn how to draw cartoons using the same techniques, tools and instruction as professional animators! Draw classic cartoons like Mickey Mouse, Goofy and Bugs Bunny and modern heroes like Baymax, Nemo, Buzz Lightyear and Olaf. Young artists take home a personalized sketchbook and high-quality drawing pencils, as well as confidence and new skills.

## BASKETBALL

**Devin Darnell**

**K-4th**

**Afternoons**

**\$225**

Practice shooting, passing, dribbling and rebounding in a fun, positive environment. Coach Darnell will help develop your game as you learn proper offensive and defensive techniques, build team chemistry, and use personal skills to be a more effective team member. All camp sessions will include team competitions to familiarize players with real game situations.

## BATTLE BOTS: LEGO TECHNICS STYLE

**Championship Robotics**

**1st-8th**

**Mornings**

**\$225**

Build bots with only one purpose – to destroy all the other bots in the competition! You will have access to the latest and most powerful LEGO Technic motors, speed-controlled remotes, specialized gears and rare parts. Start with the battle-tested wheeled and tracked designs and then modify the designs to create your ultimate battle bot. Each day you will compete in a new and challenging arena with only the best bot left standing. Every warrior leaves with a LEGO mini-figurine, Battle Bots collectable dog tag and personalized backpack tag. Do you have what it takes?

## BUILD YOUR OWN STRINGED INSTRUMENT

**Martin Delabano**

**5th-8th**

**Mornings**

**\$395**

Experience the joy of working with your hands as you build a soprano or tenor ukulele, dulcimer, violin or campfire mandolin with Mr. Delabano. At the end of camp, take home a beautifully crafted stringed instrument, as well as an instrument songbook. You'll also have a basic understanding of how to play your handmade instrument. First-time campers should start with the ukulele; those who have already taken the camp may make a dulcimer, violin or mandolin.

## CODING AND ROBOTICS: BUZZING WITH BLUE-BOTS AND DISCOVERING WITH DASH AND DOT

**Dr. Jayme Johnson**

**K-2nd**

**Mornings**

**\$225**

Join the fast-paced world of coding with Dr. Johnson! Learn how to use a variety of interactive coding tools that are developmentally appropriate for budding computer scientists. Using the Blue-Bots and Dash and Dot, along with a few iPad apps, you will learn the abstract concept of computer programming using hands-on manipulative tools. Complete challenges, build mazes, learn to write various types of programs, and explore the basics of robotics and coding with these robotic friends.

## DECORATE YOUR ROOM: MACHINE SEWING

**Sew Fun Studios**  
**Mornings**

**2nd-8th**  
**\$320**

Sewing has never been so FUN! Learn all about machine sewing while making décor for your room! We use the industry's best, child-friendly sewing machines to teach you about sewing safety, basic seaming process and design principles. Make a storage cube, a personalized banner, a wall hanging, a room organizer and a modern patchwork pillow – a new project each day! Choose from our selection of modern, vibrant fabrics to create work that you're sure to love! It's going to be SEW fun!

## EXPLORING FRENCH COOKING

**Father John Thorpe**  
**Afternoons**

**4th-8th**  
**\$235**

What makes French cuisine unique? Learn how to choose the best ingredients and prepare basic dishes and sauces. After one week, campers will be able to plan, purchase and prepare a basic French meal at home. If you love food and love to cook, this camp is for you!

## GREEN THUMB CLUB

**Little Scholars**  
**Mornings**

**Pre-k-K**  
**\$225**

Catch a ladybug, chase a firefly and grow a garden...all while learning about nature and the world around us through stories, songs, art, exploration and imaginary play. Green Thumb Club campers will create nature-based crafts through developmentally appropriate science investigations. It's time to join the Green Thumb Club!

## HIGH-SPEED PHOTOGRAPHY

**Jacques Vroom**  
**Full Days**

**6th-8th**  
**\$385**

Get ready to take photographs of things you can't often see with your own eyes! (Your iPhone camera can't record these things, either!) Each day we will focus on different subjects—a Mentos/Diet Coke "explosion," a basketball free throw, oil dropping into colored water, a football catch, the strike of a wooden match and more. You will use cameras that snap a photograph in as little as 1/10,000th of a second. You will observe a camera shooting 20 pictures per second, each as short as 1/32,000 of a second. You may use your own camera, or borrow a Canon or Nikon DSLR from the camp. No prior experience needed.

## KINDERGARTEN KICKOFF

**Katie Burkhead**  
**Mornings**

**K**  
**\$225**

Let's get ready for kindergarten! St. John's kindergarten teacher Katie Burkhead will help soon-to-be kindergarteners get ready for an exciting year of learning and fun. We will build on the experiences of pre-k to get a jump start on reading, writing, math and science. Experience these valuable lessons in a fun, relaxed and nurturing camp. Campers will walk into kindergarten feeling comfortable and confident!

## L.I.T: LEADERS IN TRAINING

**Eric Telzrow and Laura May**  
**Full Days**

**5th-6th**  
**\$395**

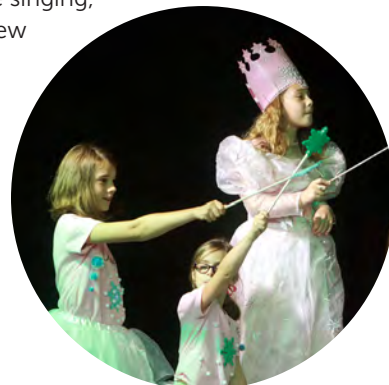

Calling all future leaders. Work with your friends to collaboratively solve puzzles, tackle difficult challenges – including an escape the room challenge – and explore new avenues to help develop your LQ (leadership quotient). Build your leadership skills while learning about a variety of effective leadership styles. We will visit the JFK museum in downtown Dallas.

## LITTLE MUSICAL THEATER

**Sarah Strout Studios**  
**Afternoons**

**Pre-k-2nd**  
**\$225**

Calling all performers and singers! Musical theater camp is where you can do it all! This is an exciting half-day camp for our youngest shining stars! Through creative musical play, young singers, actors and dancers build skills in musical theater. Learn and practice singing, dancing and acting with new camp friends. On Friday, we will perform scenes from popular children's Broadway hits for our parents and special friends!

## MAD SCIENTISTS

**Tania Kader and Tyler Jones**  
**Full Days**

**Pre-k-1st**  
**\$385**

Explore the world of science through fun hands-on experiments. Create slimy concoctions and colorful art while learning about scientific principles. Learn how scientific reactions can create exciting events like volcanoes and tornadoes. We might get a little dirty as we explore life as junior scientists!

## MIDDLE SCHOOL FLAG FOOTBALL

**Clay Buckley and Devin Darnell**  
**Mornings**

**5th-6th**  
**\$225**

Join Coach Darnell and Coach Buckley and enjoy the great game of flag football. Practice offensive and defensive schemes for flag football. Learn skills and techniques for all your favorite football positions, practice different types of formations and plays, and show-off your new skills in scrimmages and games. Get your friends and join the fun!

## ROCKETS, PLANES AND FLYING THINGS

**Little Scholars**  
**Afternoons**

**Pre-k-K**  
**\$225**

Watch it soar, see it glide; come take a ride with rockets, planes and flying things! We will build flying machines, test gliders and soar to the moon through art, stories and lots of play! Our adventures will sharpen your imagination, kick-start your motor skills, and ignite a passion for flying!

## SWEETS AND TREATS

**Mary Odom**  
**Mornings**

**4th-8th**  
**\$235**

Join us for a week of preparing sweet treats to enjoy and share with others. Learn the essentials of baking and candy making then create a wonderful treat to take home every day! Cookies, cupcakes, pies and candy will be on the menu this week. You will also create a personalized cookbook of wonderful sweet treats for future cooking fun!

## UNDER THE BIG TOP

**Monica Breeding and Morgan Martinez**  
**Full Days**

**Pre-k-1st**  
**\$385**

Ever wanted to be a ringmaster, tightrope walker or lion tamer? We've got the greatest camp on earth! Join us under the Big Top to create a one-of-a-kind circus performance for your family to enjoy.

## WONDERFUL WORLD OF WIZARDRY

**Challenge Island**  
**Afternoons**

**1st-6th**  
**\$225**

Calling all muggles! Join us for Challenge Island's Wonderful World of Wizardry Camp! Our wizarding tribes will take on spellbinding STEAM challenges. Design magic wands, build Hogwarts' castle, and mix magical potions. This exciting camp is every bit as magical as it sounds!

# SESSION 5

## NO CAMP JULY 4

### BOOK COOKS

**Kellie Day**  
**Full Days**

**K-1st**  
**\$325**

Bon Appétit! Let's combine cooking with your favorite children's literature to create fun and delicious treats. From *If You Give a Pig a Pancake* to *Where the Wild Things Are*, you will enjoy sharing books together, cooking, and creating projects every day. Work cooperatively as you prepare recipes that will be a part of your own cookbook. Get ready for lots of compliments to the chef!

### COMMUNE WITH YOUR COMMUNITY

**Tracey Gonzales and Donna Knox**  
**Full Days**

**5th-8th**  
**\$325**

Make a difference in your community and discover the joy of giving. We'll volunteer with a variety of organizations including White Rock Center of Hope, The Stewpot, C.C. Young Retirement Community, Dallas Animal Services and more. Campers will receive credit for 30 volunteer hours, which may be used to meet school, Scouting, confirmation class and other requirements. Give of yourself and help make a difference!

### COOL CONTRAPTIONS AND GADGET GREATNESS

**Studio Bella**  
**Mornings**

**K-4th**  
**\$180**

The possibilities are as great as your imagination! Build contraptions, gadgets and toys that will rock your world. Design the perfect painting pendulum, build a bubble spinner, and create a squeeze

and spin! Take home your own mini spin art machine to impress your family. Use your imagination and makers' skills to create the next toy sensation. Remember, the world needs kids like you!

### GOING FOR THE GOLD: LITTLE SUMMER OLYMPICS

**Rebecca Freyenberger**  
**Mornings**

**Pre-k-1st**  
**\$180**

Join us for a week of Olympic tradition and friendly competition! Celebrate the first day of camp with an opening ceremony including music, the Olympic torch and even a parade! You will choose a country to represent and compete in various Olympic or Olympic-like activities, with the opportunity to make it to "The Podium" each day. On the last day, campers will form teams for one final day of competition and conclude with an awards ceremony. Every day we will discuss the characteristics of a CHAMPION: always be prepared, learn from mistakes, show dedication, perseverance and resilience.

### GOING FOR THE GOLD: SUMMER OLYMPICS

**Rebecca Freyenberger**  
**Afternoons**

**2nd-6th**  
**\$180**

Join us for a week of Olympic tradition and friendly competition! Celebrate the first day of camp with an opening ceremony including music, the Olympic torch and even a parade! You will choose a country to represent and compete in various Olympic or Olympic-like activities, with the opportunity to make it to "The Podium" each day. On the last day, campers will form teams for one final day of competition and conclude with an awards ceremony. Every day we will discuss the characteristics of a CHAMPION: always be prepared, learn from mistakes, show dedication, perseverance and resilience.

## HATCHIMALS

**High Tech Kids  
Mornings**

**K-2nd  
\$180**

In the official Hatchimals ColLEGGtibles app, you can hatch new friends from all over Hatchtopia! Once hatched, care for your Hatchimal to keep them happy, play mini-games with them, and build your collection! Explore different areas of Hatchtopia with your Hatchimal. Visit Cloud Cove and Glittering Garden. You can keep track of your collection in your journal. You will have an opportunity to explore additional Hatchimal apps. Feel free to bring your own Hatchimal to keep you company as you explore. iPads are provided for this camp.

## KIDOKINETICS: FITNESS MADE FUN!

**Sportkinetics  
Afternoons**

**Pre-k-K  
\$180**

Kidokinetics camps provide a fun, healthy week of exercise, games, sports and nutrition activities. Play new games every day and make fun crafts, eat healthy snacks and read books promoting active lifestyles. Kidokinetics programs follow standards established by the National Association of Sports and Physical Education and FitnessGram®.

## LEGO CITY

**Tania Kader and Tyler Jones  
Mornings or Full Days**

**Pre-k-1st  
\$180/\$325**

LEGO City needs your help! Due to a growing population, LEGO City is expanding. We'll add an airport, auto shop, restaurants and more. Join us for a week of building, playing games and making friends. There will also be cooking, crafts and LEGO games!

## MIDDLE SCHOOL FUN – ALL DAY LONG

**Kathryn Potter  
Full Days**

**5th-8th  
\$350**

Want to hang out and socialize with your friends, go to fun places and do the things that YOU want to do? Join Mrs. Potter and your friends for the greatest four-day week ever! We will go to Hawaiian Falls, movies, the mall and other places that YOU want to go. The summer gets boring without your friends – join the fun!

## SPIRIT, CHEER AND DANCE SQUAD

**Tippi Toes Dance  
Afternoons**

**K-5th  
\$180**

Do you love music and love to dance? At Spirit, Cheer and Dance camp, learn kid-friendly cheer and dance choreography to upbeat, age-appropriate music. You will also lead cheers, make cool crafts, and engage in confidence and team-building activities. Learn the stunts and cheers that really make going to the games fun. Parents and special friends are invited to a special performance on the last day of camp.

# SESSION 6

## ABC ANIMALS STUFF AND FLUFF

**Trish Lopez**  
**Afternoons**

**Pre-k-K**  
**\$225**

Do you want to learn your ABC's and get better at spelling? ABC Animal Camp is an exciting way to make words come to life! On our first day of camp, make a fun stuffed animal who will get to live with you forever. Learning the alphabet through the letters and animals of the day will be amazing and fun! We will sing songs, read stories and play alphabet games such as ABC Bingo, Leafy Letter Learning and Alphabet Match Up. We will also go on an alphabet hunt, make shapes with clay, write in the sand and make shaving cream letters. On Friday, we will stuff one more special friend for you to keep forever. Enjoy a week of hands-on activities and learn more about phonics, writing and spelling!

## BABYSITTING CERTIFICATION AND CHILD CARE WORKSHOP MONDAY AND TUESDAY ONLY

**It's Breathtaking and Laurie Bret**  
**Full Days**

**6th-8th**  
**\$150**

Learn how to be a safe, reliable and fun babysitter! During this two-day camp, earn First Aid and CPR certifications to become a Red Cross certified babysitter. You will learn how to diaper, feed and soothe young babies, as well as fun ways to entertain young children. Babysitting is a fun way to earn money, show leadership and serve our community. Gain the skills to become a stellar sitter!

## BEGINNING VOLLEYBALL

**Thor Herrin**  
**Afternoons**

**2nd-5th**  
**\$225**

Learn the great sport of volleyball! Whether this is your first try at volleyball or you are already beginning to love it, you will increase your abilities and make lasting friendships that come from the positive and nurturing environment of team sports. All equipment is provided; participants should attend with proper footwear and kneepads, if desired.

## CONSTRUCTION ZONE DIY EDITION: AM SESSION

**Danielle Dupuis**  
**Mornings**

**K-5th**  
**\$250**

Are you interested in working with wood, hammers, nails, textiles and paint to create and build hands-on projects? This fun camp is ideal for girls and boys who like to tinker and be creative. Make your own geoboard game, yarn art and useful wooden cases. You will also work collaboratively on inventive building projects. A wide variety of construction options is sure to spark your building genius!

## CONSTRUCTION ZONE DIY EDITION: PM SESSION

**Danielle Dupuis**  
**Afternoons**

**K-5th**  
**\$250**

Are you interested in working with wood, hammers, nails, textiles and paint to create and build hands-on projects? This fun camp is ideal for girls and boys who like to tinker and be creative. Make your own geoboard game, yarn art and useful wooden cases. You will also work collaboratively on inventive building projects. A wide variety of construction options is sure to spark your building genius!

## DOC MCSTUFFINS

**Studio Bella**  
**Mornings**

**Pre-k-K**  
**\$235**

If you love animals and Doc McStuffins, this camp is for you! Adopt a toy dog, name it and learn how to take care of your puppy all week long. The vets in training will create vet kits with stethoscopes and other tools Doc McStuffins uses to care for her little patients. As a pet owner, you will design your own doghouse, pet food bowls and more. At the end of the week, enjoy real LIVE animals that come to visit to top off a perfect week of camp!

## DODGEBALL

**Tony Adler**  
**Mornings**

**2nd-8th**  
**\$225**

Join Mr. Adler to play dodgeball, the greatest game ever. A full week of every type of dodgeball that you can imagine! Get your friends to join you for a week of fun. Take the challenge to become "King or Queen of the Court."

## GAMES GALORE

**Rebecca Freyenberger**  
**Mornings**

**Pre-k-K**  
**\$225**

Play all of your favorite games and learn fun new ones. We'll have a blast with scooters, parachutes, freeze tag, capture the flag, relay races of all types and much more. After the physical games, we'll wind down with some team-building games. Exercise body and mind, while having tons of fun playing games galore!

## HIP HOP DANCE

**Tippi Toes Dance**  
**Mornings**

**K-5th**  
**\$225**

Do you love music and love to dance? We will have you dancing to the Tippi Toes® beat in no time! Hip Hop campers will learn kid-friendly choreography to upbeat, age-appropriate music. You will also work on crafts and learn fun movement games. Tippi Toes® Hip Hop Camp is sure to be an awesome time! Invite your parents and special friends to a special performance on the last day of camp.

## KARATE KIDS NINJA

**Chamberlain Studios of Self Defense**  
**Afternoons**

**K-6th**  
**\$225**

Enjoy a fun-filled week of karate, martial arts and self-defense. Learn the basics or improve your martial arts skills. You will experience and use the acclaimed 3-Steps to a Great Kid™ martial arts character development program. Learn kicking, blocking and striking skills, self-defense techniques, Brazilian jiu-jitsu, martial arts history, appropriate times for martial arts use and much more.

## KEYBOARDING AND CODING

**Jean Haynes and Kathryn Potter**  
**Mornings**

**1st-4th**  
**\$225**

Are you still pecking around on your iPad? Does it take too long to do anything on the keyboard? Come learn the basics of keyboarding and coding with your friends. Learn how to use technology as a tool while utilizing some fun educational apps and games. Creative thinking and problem solving skills are emphasized as you become more proficient on your iPad. We will start at the beginning with the home keys and by the end of the week you will produce a book using your new skills. iPads and keyboards are provided for this camp.

## KINDNESS CAMP

**Rebecca Freyenberger**  
**Afternoons**

**Pre-k-1st**  
**\$225**

Our world is so much better when we are kind! Let's find new ways to show our kindness this week. We will learn about using words kindly, showing kindness to those who are hurting, using kindness to solve our differences with others, and how to be a fun, polite friend. We will also surprise our friends, family members and our community with acts of kindness to show how much we care. Come help our world by sharing kindness!

## LEARN TO SEW

**Jean Haynes and Kathryn Potter**  
**Afternoons**

**2nd-6th**  
**\$225**

In this beginning sewing class, learn age and skill-level appropriate hand-stitching techniques. You'll reinforce new skills through fun and creative projects that you design and make yourself! All campers will receive a sewing kit, as well as all necessary supplies and fabrics.

## LEGO MINECRAFT

**Jack Nelson**  
**Afternoons**

**1st-8th**  
**\$225**

Steve needs your help! Go way beyond regular LEGO brick packages to design and construct your home with working piston-activated doors to keep out remotely-controlled Creepers. Collect gold, lapis and emerald blocks and navigate your motorized mine cart through the Netherworld. Of course, there is an "End Game." You must avoid the stare of the Endermen and destroy the Ender Dragon. Every brave crafter leaves with a LEGO mini-figurine, a MINECRAFT collectable dog tag and personalized backpack tag.

## MADELINE GOES TO CAMP

**Ashley Leake**  
**Mornings**

**Pre-k-1st**  
**\$225**

In a nice school in Dallas where children learn to shine  
Was a camp full of kids who loved Madeline.  
They read her books, created art,  
And acted out stories,  
And became really smart.  
They learned some French,  
How to cook,  
Lots of manners,  
All from this book!

## MAGICAL MYSTERY CAMP

**Challenge Island**  
**Afternoons**

**1st-6th**  
**\$225**

Calling all aspiring super-sleuths to Challenge Island's® Marvelous Mystery Camp. Our eagle-eyed tribes will work together on top-secret STEAM challenges from CSI to Scooby Doo to Sherlock Holmes to Nancy Drew. So grab your detective gear and prepare to go undercover this summer with Magical Mystery camp.

## MINECRAFT FOR MINIS

**Dr. Jayme Johnson**  
**Mornings**

**K-2nd**  
**\$225**

Come learn Minecraft Pocket Edition with Dr. Johnson! Yes, it is a game, but it is also an excellent collaborative, creative and critical-thinking resource. Campers will spend their week practicing teamwork, demonstrating responsibility, and exercising their creativity and problem-solving skills while being challenged by puzzles, quests and daily missions as they learn the ins and outs of Minecraft Pocket Edition on the iPad. Join us as we explore, learn, problem-solve and create amazing and unique worlds together.

## PAINTING ZOO

**Young Rembrandts**  
**Mornings**

**K-5th**  
**\$225**

Enjoy painting your favorite wildlife and zoo animals. Use acrylic paint and learn important painting skills like blending, drawing, scale and perspective. What a fun way to add more art into your life.

## SENIOR STEAM KIDS

**Jack Nelson**  
**Mornings**

**4th-8th**  
**\$225**

STEAM skills can make a huge impact on your ability to solve difficult problems by using outside-the-box thinking skills. Designed for more advanced campers, you will build upon the foundations of earlier STEAM experiences. Come explore basic electronics, engineering, construction, coding and robotics all in one action-packed, hands-on week.

## TALES AND TREATS

**Little Scholars**  
**Afternoons**

**Pre-k-K**  
**\$225**

Cook up the perfect recipe of books, games, music and cooking. We will blend early literacy skills with social skills such as following directions, taking turns, sharing and listening to others. Tales and Treats will be a tasty camp experience!

## VET CAMP

**Studio Bella**  
**Afternoons**

**K-4th**  
**\$235**

Fulfill your dream to become a veterinarian during Vet Camp. Adopt a (toy) dog as your newest family member and learn how to take care of man's best friend. Make sure that your furry friend has a house, dog bowl, toys and needed supplies. When your pet rests, vet training will begin! Build your stethoscope and learn how to sew stitches for injured animals. Learn how to perform pet first aid, training and more. On Friday, some real animal friends will come to visit for you to meet and learn to care for!

# SESSION 7

Session 7  
July 16 - 20

## CREATE!

**Fast Forward Kids**  
**Afternoons**

**Pre-k-1st**  
**\$225**

Do you like to design, build, decorate and paint? Is it fun to pretend, act and create a show? Then this is the camp for you! Come join us for the ultimate fun camp. Learn great new crafts, songs, games and enjoy wet outdoor fun. It is all of your favorite camps rolled into one week!

## DRONE FLIGHT ACADEMY

**Fast Forward Kids**  
**Mornings**

**2nd-8th**  
**\$225**

Merge the best in science and technology with the wonder of flight. Drone Flight Academy uses a hands-on learning approach (one drone for each pair of campers) and mixes in innovation and adventure. Make new friends, play creative games and embrace one of the fastest growing technological career fields. Learn how drones fly, then engage in drone races, trick flying, drone challenges and more. Take to the skies and become a junior drone pilot.

## GAMES!

**Rebecca Freyenberger**  
**Mornings**

**Pre-k-1st**  
**\$225**

Play all of your favorite games and learn fun new ones. We'll have a blast with balloon ball, freeze tag, Chinese jump rope, capture the flag, scooters, relay races and many more fun games. After the physical games, we'll wind down with some team-building and memory games. Exercise body and mind, while having tons of fun playing games!

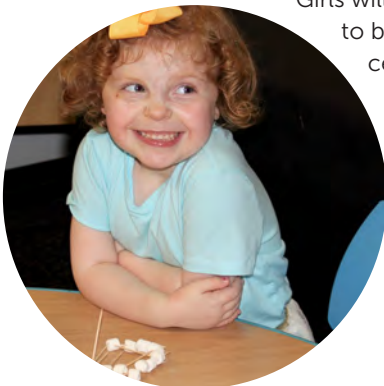

## GIRLS' CLUB

**Studio Bella**  
**Mornings**

**K-4th Girls**  
**\$225**

Girls can do anything! Make a bow and arrows. Paint them pink – or not. Mix and measure ingredients for slime, design 3D rainbows and create string art. Then how about a quick game of tag or capture the flag? Sling shots anyone? Test your skills with fun creations throughout the week!

Girls will use their imaginations to be fearlessly creative and celebrate their inner Wonder Woman!

## HOOPS, SCOOPS AND SHOTS

**Sportkinetics**  
**Afternoons**

**Pre-k-1st**  
**\$225**

Hoops, Scoops and Shots combines three highly popular sports into a fun-packed week of interaction, skills learning and just the right emphasis on fitness and exercise. Hoops explains fundamentals of basketball including the skills of passing, shooting, dribbling and basic game rules. Scoops includes an introduction to lacrosse stressing skills development in cradling, passing, scooping and catching. Shots will feature the highly popular USTA Texas Hot Shots tennis curriculum combining basic skills and interactive games to reinforce tennis skills.

## JUMP ROPE BOOT CAMP

**Morgan Martinez and Katie Specht**  
**Afternoons**

**1st-8th**  
**\$225**

Calling all Red Hot Peppers and all kiddos who love to jump rope! Join us for a week of learning awesome single rope tricks, Double Dutch, and 2-in-1 tricks! We will also learn routines to music, make our own jump ropes, and prepare for a performance showcase on Friday! All levels of jumpers are welcome.

## LEGO ROBOTICS: FASTEST AND MOST FURIOUS

**Jack Nelson**  
**Mornings**

**3rd-8th**  
**\$225**

Designed for more experienced robotics road warriors. You will have the most powerful LEGO Technic motors, speed-controlled remotes and specialized gears at your fingertips. You will get to build a Super Tank with extreme torque, a 4-wheeled drive ATV and other fast and furious vehicles that you design. Every robotics warrior is awarded a LEGO mini-figurine, Fastest and Most Furious collectable dog tag and personalized backpack tag. Prerequisite: Prior LEGO Technic camp.

## LEGO STAR WARS: JEDI MASTER

**Jack Nelson**  
**Afternoons**

**1st-8th**  
**\$225**

Enter the Jedi Trials! Based on Star Wars episodes IV – VI and *Rogue One*, build remotely-controlled, motorized LEGO Technic droids, speeder bikes, sand crawlers, walkers and ships. Adventures include racing Endor speeder bikes, transporting droids in your sand crawler, navigating your AT-ST walker past laser blasts, battling your astromech droids and saving the galaxy by navigating your X-Wing through the Death Star trench. Every Jedi Master leaves with a LEGO mini-figurine, a Star Wars collectable dog tag and personalized backpack tag.

## LET'S ACCESSORIZE! MACHINE SEWING

**Sew Fun Studios**  
**Mornings**

**2nd-8th**  
**\$320**

You can never have too many accessories! Learn the art of sewing and make a line of personal accessories you are sure to love! You'll make an emoji coin purse, reversible tote bag, infinity scarf and more – a new accessory every day. We provide all the machines, fabrics and supplies. No sewing experience is required.

## LITTLE CODERS

**Josh Del Regno**  
**Afternoons**

**K-2nd**  
**\$225**

Coding is FUN! In Little Coders camp, learn to think like a computer to solve puzzles and games. You will expand your vocabulary with big words like algorithm and program. You will even code a movie using the MIT created Scratch JR coding system. iPads are provided during camp.

## MIDDLE SCHOOL VOLLEYBALL

**Thor Herrin**  
**Afternoons**

**5th-8th**  
**\$225**

Open to players of all skill levels, the St. John's Volleyball Camp provides expert instruction by a coach who has more than a decade of experience instructing girls and boys. Whether this is your first time to play volleyball or you are a seasoned veteran of club and school teams, you will improve your skills and make lasting friendships that come from the positive and nurturing environment of team sports. All equipment is provided; participants should attend with proper footwear and kneepads (if desired). St. John's students interested in playing for the IAA or TAPS volleyball teams are highly encouraged to attend.

## MINECRAFT 3D DESIGN

**High Tech Kids**  
**Afternoons**

**2nd-8th**  
**\$225**

In the world of Minecraft, the sky is the limit! Using MinecraftEdu and a specialized set of mods, you will learn the principles of 3D design. After touring architectural wonders recreated inside Minecraft, plan and build a wonder of your own. With access to dozens of new blocks, learn how to make a good design, build, and use geometry and creative thinking to troubleshoot your design.

## PAW PATROL

**Studio Bella**  
**Mornings**

**Pre-k-K**  
**\$225**

Calling all Paw Patrol fans! Learn to serve and protect our community Paw Patrol style. You are sure to have a blast participating in Marshall's Fireman Challenge, Everest's Avalanche Escape, Chase's Police Car Race, Skye's Helicopter Take Off and more. Take on new rescue challenges every day. You will also enjoy Paw Patrol story time, art, crafts and games.

## PROJECT RUNWAY

**Studio Bella**  
**Afternoons**

**3rd-6th**  
**\$225**

Do you love trendy fashion? Do you have a creative, fun spirit? Each day you will be challenged to come up with a new outfit or accessory using the supplies and rules provided for the day. Can you turn a pair of pants into a hat, flip flops or a belt? Show your ideas to the rest of the class and collaborate to create new ideas for great fashion trends. You will also learn the business side of fashion by building your own company from the logo and hangtag to your own line of awesome fashions. A fun runway show will culminate your week of fashion creation.

## READY, SET FIRST GRADE

**Kellie Day**  
**Mornings**

**1st**  
**\$225**

Get ready for first grade with Miss Day. We will play games that will sharpen our skills in math, reading, handwriting and Writers Workshop. We will also refine fine-motor, collaborative and listening skills. You will head back to school feeling confident and ready for first grade!

## STEP UP TO SECOND GRADE

**Laura May and Katie Specht**  
**Mornings**

**2nd**  
**\$225**

Join Ms. May and Ms. Specht for a fun-filled week of language arts and math activities that will get you ready for the first day of school. You will walk into the first day of second grade feeling confident and prepared for anything that comes your way!

## TECH DETECTIVES

**Micah Sudbury**  
**Mornings**

**Pre-k-1st**  
**\$225**

Get your magnifying glass ready and join us to solve important cases at places like Cyber Space, Network Neighborhood and Keyboard Castle! Computer detectives will unlock new ways to use technology to solve meaningful problems. Important STEAM skills are introduced as you learn keyboarding, technology, Internet safety, reading and writing. We will integrate critical thinking and creative components throughout the week, giving you many opportunities to express yourself as you do your work as a Tech Detective!

# SESSION 8

## ANIMAL TALES STUFF AND FLUFF

**Trish Lopez**  
**Afternoons**

**Pre-k-4th**  
**\$225**

Do you love animals? From *Gerald the Elephant* to *Grumpy Cat*, we will read books to improve reading comprehension strategies such as visualizing, predicting and inferring. On the first day of camp, you will make a special stuffed friend to keep forever. As we read books, we will create projects, sing songs and play games related to our animal story. Every camper will create their own special story about their new animal friend. On our last day, you will make a second special friend. Don't miss this cuddly camp, as we learn about animals, their habitats and some who wear amazing clothes!

## BATTLE BOTS: LEGO TECHNIC STYLE

**Championship Robotics**  
**Afternoons**

**1st-8th**  
**\$225**

Build bots with only one purpose – to destroy all the other bots in the competition! You and your team will have access to the latest and most powerful LEGO Technic motors, speed-controlled remotes, specialized gears and rare parts. Start with our battle-tested wheeled and tracked designs and then modify the designs to create your ultimate battle bot. Each day you compete in a new and challenging arena with only the best bot left standing. Every warrior leaves with a LEGO mini-figurine, Battle Bots collectable dog tag and personalized backpack tag. Do you have what it takes?

## BOYS' CLUB

**Studio Bella**  
**Mornings**

**K-4th Boys**  
**\$225**

Create slingshots, bows, arrows and rubber band shooters. Create and enjoy slime; build a mini treehouse with hammer, nails and string. Apply warrior paint and play capture the flag! Boys will use their imaginations to be fearlessly creative, test their endurance, and problem-solving creativity. This camp is a well-loved tradition that boys LOVE!

## DINO DISCOVERY

**Little Scholars**  
**Afternoons**

**Pre-k-K**  
**\$225**

Do you know which dinosaur was nicknamed "long neck"? Do you know which dinosaur had the biggest head? Join us for a colossal journey into the world of dinosaurs. Build a dinosaur replica and have an archaeological dig just like a real paleontologist. In Dino Discovery, you will have a swamp stomping good time!

## DISCOVER MAGIC: ORANGE WAND

**Dal Sanders**  
**Mornings**

**2nd-8th**  
**\$230**

The Dallas Magic Academy offers three different magic camps at Summer at St. John's for 2018 – purple wand, green wand and orange wand. Each camp features new and different magic tricks and may be taken in any sequence. You will receive amazing custom tricks and props with full color instructions, top-secret file folders with bonus extras, and a cool messenger bag to carry your magic supplies. You will also learn the eight traits of a true magician and receive secret code key cards to unlock bonus magic effects and secrets online. Discover Magic builds self-confidence, teaches respect, inspires creativity and improves social skills in a safe and friendly environment.

## DRONE FLIGHT ACADEMY

**Fast Forward Kids**  
**Afternoons**

**2nd-8th**  
**\$225**

Merge the best in science and technology with the wonder of flight. Drone Flight Academy uses a hands-on learning approach (one drone for each pair of campers) and mixes in innovation and adventure. Make new friends, play creative games and embrace one of the fastest growing technological career fields. Learn how drones fly, then engage in drone races, trick flying, drone challenges and more. Take to the skies and become a junior drone pilot.

## FASHION DESIGNER

**Fast Forward Kids**  
**Afternoons**

**2nd-6th**  
**\$225**

Have you ever wondered how the latest fashion trends get started? Fashions begin with imagination and a sketch. By learning key principles of color coordination and fabric patterns, fashion design will be easy and fun. Use your creativity to make fashion accessories to take home and wear at your next party. Take part in a runway fashion show. Use your creativity to be as fashionable as the movie stars.

## FLAG FOOTBALL

**Devin Darnell and Clay Buckley**  
**Mornings**

**1st-4th**  
**\$225**

Join Coach Buckley and Coach Darnell to learn about the great game of flag football. Learn about the skills and techniques for all of your favorite football positions. Practice drills and play in scrimmages and games to highlight your new skills. Speed and agility drills will also help athletes develop skills that will translate to other sports. Get your friends and join the fun!

## HOT WHEELS WORLD OF DISCOVERY

**Fast Forward Kids**  
**Mornings**

**Pre-k-K**  
**\$225**

Endless track and obstacle courses await car lovers as you discover the world of physical science. Momentum, force and friction are some of the concepts you will explore as cars fly acrobatically through the course. Learn measurement and weight concepts as you identify the fastest and most efficient cars. Mega Loop Mayhem, Shark Cliff Hanger, Wolf Mountain and hundreds of other cars will delight young vehicle enthusiasts!

## KARATE KIDS NINJA

**Chamberlain Studios of Self Defense**  
**Afternoons**

**K-6th**  
**\$225**

Enjoy a fun-filled week of karate, martial arts and self-defense. Learn the basics or improve your martial arts skills. You will experience and use the acclaimed 3-Steps to a Great Kid™ martial arts character development program. You will learn kicking, blocking and striking skills, self-defense techniques, Brazilian jiu-jitsu, martial arts history, appropriate times for martial arts use and much more.

## LEGO STAR WARS: THE LAST JEDI

**Jack Nelson**  
**Mornings**

**1st-8th**  
**\$225**

Join the Rebellion and help Luke Skywalker fight against the Republic! Based on *Star Wars: The Force Awakens* and *The Last Jedi*, build remotely-controlled, motorized LEGO Technic vehicles and ships including a Snow Speeder, Rey's Speeder, Troop Transport and the updated Millennium Falcon! Every Rebel will escape the class with a LEGO mini-figurine, a Star Wars collectable dog tag and a personalized backpack tag.

## MIDDLE SCHOOL BASKETBALL

**Devin Darnell**  
**Afternoons**

**5th-8th**  
**\$225**

Develop the skills and techniques necessary to take your team to victory. Improve ball handling and shooting skills, refine defensive techniques, and work on speed and agility through individual and team drills, practice and games. This camp is ideal for middle school students planning to participate in school and club basketball teams.

## MINECRAFT ARCHITECTS

**High Tech Kids**  
**Mornings**

**4th-8th**  
**\$225**

Join fellow Minecraft lovers to work together to design and build houses, buildings and machines for your Minecraft village. Each project will consist of various challenges such as limited resources, time limits and environment constraints. Use design thinking, geometry, math, collaboration and creativity to complete the tasks. Challenge accepted!

## MINECRAFT MOD DEVELOPMENT

**High Tech Kids**  
**Afternoons**

**4th-8th**  
**\$225**

You have already played Minecraft Mods, now you are ready to CREATE your own Minecraft Mod. Using the professional programming language Java and the development tool Eclipse, learn how to create a Minecraft Mod from scratch. Create your own sword, tools, foods, blocks, armor, biomes, achievements and mods. By the end of camp, you will have your own mod to share with friends and family, as well as the skills you need to build more mods.

## ULTIMATE SURVIVAL AND HUNTERS CLUB

**Fast Forward Kids**  
**Mornings**

**3rd-8th**  
**\$225**

Join Ultimate Survival and Hunter Club for a great co-ed outdoor adventure camp. During survival situations, we must satisfy our basic needs for shelter, water, fire, food, navigation and first aid. Learn how to purify water, signal for help, navigate the wilderness, search for edible food, set

up natural shelters, hunt safely and leave no trace when camping. You will enjoy this educational, fun and exciting outdoor camp. Presented through games and adventures, unique challenges will await you. This class is essential for kids who like to work and play outside!

## WHIZ KIDS

**Little Scholars**  
**Mornings**

**Pre-k-K**  
**\$225**

Grab your goggles and lab coat; we are on a scientific discovery mission! Explore the world of science through food, nature and more. There will be some explosions, a few creations and a whole lot of discoveries. Don't miss this mission!

# CAMP INSTRUCTOR BIOS

**Tony Adler** has taught middle school English at St. John's for the past three years. Before that, he was a middle school English teacher and coach at The Greenhill School.

**Herminio Baez** has been teaching chess for 30 years. Mr. Baez teaches chess classes and coaches chess teams at schools throughout the metroplex.

**Susan Benton** has taught pre-k for 22 years, 18 of which she has spent at St. John's. She leads a variety of summer camps for our young campers.

**Jan Breed** has been at St. John's for the past three years after working for many years as a kindergarten teacher and administrator in Georgia.

**Monica Breeding** has been teaching early childhood since 1989. Ms. Breeding is an alumna of St. John's and has been teaching our pre-k students for the past eight years.

**Clay Buckley** is completing his second year as a middle school social studies teacher and coach at St. John's after several years as a teacher and coach in Richardson ISD.

**Katie Burkhead** has taught kindergarten at St. John's for the past four years. Before that, she taught third grade in Ft. Worth. She is a Dallas native and a TCU graduate with a degree in Early Childhood Education.

**Challenge Island®** is a program where engineering meets imagination! It offers a one of a kind camps on the cutting edge of S.T.E.A.M. (*Science, Technology, Engineering, Art and Math*) Education and 21st Century Learning.

**Chamberlain Studios of Self-Defense™** is an organization dedicated to providing the very best in martial arts since 1981. The school brings together people from all lifestyles with the common goals of friendship, martial arts and hard work!

**Championship Robotics** founder and longtime Summer at St. John's robotics instructor, **Jack Nelson**, is a full-time engineering and robotics teacher for Richardson ISD and has led his competitive teams to multiple robotics world championships.

**Connie Cook** came to St. John's six years ago as an early childhood aide and loves her job. She and her husband are longtime members of St. John's Episcopal Church and are in the process of raising their six children, who never cease to amaze them.

**Rebecca Crouse** is the fourth grade math and science teacher at St. John's. She graduated from Austin College with a degree in psychology and a Master of Arts in teaching.

**Dal Sanders** of Dallas Magic Academy has been a professional magician and magic teacher for almost 40 years and has performed across the United States and overseas with his wife Cinde. They are the hosts of the nationally syndicated television show **KARTOON CIRCUS** where they perform magic for the live studio audience as well as the television viewers. Dal is a past president of the Society of American Magicians.

**Devin Darnell** has taught at St. John's for the past three years where he also coaches flag football and basketball. Devin has previously coached college basketball, high school football and basketball, and middle school football, basketball, track and cross-country.

**Kellie Day** is a first grade teacher at St. John's. Ms. Day has a degree in English and a master's degree in teaching from Austin College. She loves singing, reading books, watching movies, and playing soccer. She is excited to join the Summer at St. John's staff this year!

**Martin Delabano** is an alumnus who teaches fifth through eighth grade art at St. John's. He is a professional, exhibiting artist and also builds and plays ukuleles, mandolins and guitars.

**Josh Del Regno** has worked at St. John's since 2013 in the After School Program and has been the Technology Integration Specialist for the past three years.

**Danielle Dupuis** is an 11-year teaching veteran from the Kessler School. She believes in integrating cooperative structures, literacy and Multiple Intelligences pedagogy into her lessons to ensure all students engage in and enjoying learning.

**Fast Forward Kids** has been a leading provider of summer programs for children for more than 20 years. Higher-order thinking skills in the areas of math, science, reading and social development are implemented in fun and exciting ways.

**Rebecca Freyenberger** is completing her first year as a St. John's physical education teacher and advisor. She earned a teaching degree in Physical Education and School Health and has a Bachelor of Arts in Exercise Science and Athletic Training. She is excited to be sharing her love of the outdoors, games and physical activity.

**Tracey Gonzales** has assisted in pre-k for eight years at St. John's. She loves watching children explore and learn new things.

**Thor Herrin**, a St. John's teacher for the past 11 years, is a St. John's alumnus. He currently teaches fifth grade English and coaches middle school volleyball.

**Jean Haynes** is the fourth through eighth grade music teacher at St. John's. She is an avid seamstress and loves to help children make the connection between music skills and keyboarding skills to improve education in a relaxed, fun manner.

**HTK, Inc. (High Tech Kids)** is a family-owned small business that has been sparking the imaginations of young inventors since 1993. High Tech Kids combines technology with the inquisitiveness of children to create summer camps full of innovation and joy.

**Cindy Isbell** has been teaching for 22 years and is currently in her 16th year at St. John's. She teaches third grade and coaches middle school sports. Mrs. Isbell has led many excursion camps for Summer at St. John's.

**It's Breathtaking** is a Red Cross certified provider of First Aid and CPR instruction that conducts training for adolescents and adults throughout the Dallas metroplex.

# CAMP INSTRUCTOR BIOS

**Jayne Johnson** is the head of lower school at St. John's. She is passionate about creating engaging and interactive educational environments where children can harness their natural curiosity as they question, create, discover, and explore.

**Tyler Jones** is a member of the St. John's After School Program staff and a lover of science, LEGO, and kids. He is excited to join our Summer at St. John's staff.

**Tania Kader** is an After School Program staff member and has been a member of the Summer at St. John's staff for the past three years.

**Donna Knox** has taught art and served as a pre-k aide at St. John's for the past six years. She is passionate about helping our local community and is excited to share her passion with middle school students.

**Ashley Leake** is a former lower school classroom teacher. She is currently a St. John's middle school parent, language arts tutor, and lower school math club sponsor.

**Little Scholars** works with Dallas area young children, providing fun academic enrichment programs for young children who delight in new ways to explore the wonders of our world.

**Trish Lopez** is an experienced educator with a B.S. in leadership and a Master's of Public Affairs. She owns an educational company that works with students of all ages. Ms. Lopez loves to teach young children through hands-on learning and fun activities.

**Morgan Martinez** is the pre-k/kindergarten Spanish teacher at St. John's. She has taught at St. John's for six years and enjoys participating in Summer at St. John's.

**Laura May** is a veteran teacher who joined St. John's as a second grade teacher this year. She is eager to join in the fun at Summer at St. John's.

**Megan Nasser** is the lower school music teacher at St. John's. Megan loves to share her passion for serving the community with middle school students.

**Mary Odom** teaches middle school English at St. John's. When not teaching and reading, Mrs. Odom loves to cook, and especially bake, for family and friends.

**Oil and Cotton** offers hands-on art classes taught by art professionals with knowledge of traditional and contemporary techniques. Our campers engage in the expressive languages of both music and visual art.

**Tom Parr** is the integrated drama specialist for St. John's. He is also a professional theatre director in the Dallas area.

**Kathryn Potter** is a middle school math teacher and advisor at St. John's. She enjoys crafting, dancing and helping middle school kids enjoy life.

**Jennifer Powers** is the librarian at St. John's. She loves to explore new places for children to have adventures and lots of fun.

**Sew Fun Studios** makes the art of sewing relevant and exciting to the modern kids of today. Kids leave camp with a new life skill, one-of-a-kind projects, and a sense of pride through creating something fun and useful with their own hands!

**Katie Specht** is a St. John's alumna and is a second grade teacher at St. John's. Katie has worked with Summer at St. John's for the past nine years.

**Sportkinetics** is a sports and physical education organization providing camps for children ages 3-13. All Kidokinetics programs are designed to inspire children to participate in health and fitness related activities in a non-competitive environment.

**Studio Bella** is a S.T.E.A.M.-based studio that focuses on problem solving, higher-level thinking and creativity. Tammy Bardwell, an award-winning designer with a degree in education and a master's degree in design, founded Studio Bella ten years ago.

**Studios of Sarah Strout** is a music studio located in the heart of Lakewood offering group and private lessons in all instruments to all ages. The studio also offers private lessons to students at St. John's during and after school.

**Micah Sudbury** has a degree in education and has taught school for eight years. In 2010, Micah started the education company, Keyboard Kids. It is Micah's passion to help young children grow in positive ways.

**Eric Telzrow** is the 4th grade language arts teacher at St. John's in his 12th year of teaching. He enjoys playing volleyball, board games, the outdoors and music you can really dance to! He is excited to join the Summer at St. John's teaching staff.

**Tippi Toes** is a dance company for boys and girls ages 1 ½ - 10 years that promotes self-confidence and healthy habits. Tippi Toes focuses on the basics of dance technique, music, movement and balance. The music in our classes is fun, kid-friendly popular music along with Tippi Toes Dance Company® original music.

**Father John Thorpe** is a father, chef, musician and chaplain for the children at St. John's School. He is excited to share his love of cooking and eating food, playing music and all things Star Wars!

**Jacques Vroom** has spent more than 45 years as a visual/creative professional, working with The Art Institute of Chicago, The Metropolitan Museum of Art, Neiman Marcus, Horchow, Williams Sonoma, and WGBH television. He is also a long-time substitute teacher at SJES.

**John Walker**, who serves as dean of students and athletic director at St. John's, co-leads several destination camps with Mrs. Isbell. He has been teaching and working at St. John's for 24 years.

**Young Rembrandts** teaches basic to advanced drawing skills, art techniques and vocabulary. Experienced art instructors use a systematic method that ensures every student is a creative success.
