
Dear St. John's Alumni and Alumni Parents:

Nearly fifteen years ago, I graduated from St. John's – infused with confidence and an open mind to take on whatever came next, wherever that may be. Now, as an adult and in the work force, I recognize that spending the early years of my life at St. John's continues to have a profound impact on how I navigate and engage the world. I owe a great deal of my success to the values that St. John's instilled in me.

We can all agree that St. John's is a very special place, so let's make it known! As this year's St. John's Fund Alumni Chair, I am honored to ask you for your support. Whether you are a student, an alumni parent or a Fortune 500 CEO, please make a pledge; all contributions – whether \$10 or \$10,000 – are crucial to helping the school reach a very important \$325,000 goal.

Last year, in response to requests from many alumni who want to give back to St. John's, the affordable, monthly giving plan [Give Us Ten](#) was created. Alumni can pledge to give \$10 each month through the St. John's website. Once you fill in your giving information, your card is charged \$10 every month and you become a [Give Us Ten](#) donor. I hope you will consider joining me and other alumni who are choosing to support the St. John's experience in this way.

You may also consider a [one-time pledge](#) to the school or donate tomorrow, September 19, [North Texas Giving Day](#).

Together we can continue to enrich the lives of St. John's students in the same way we were blessed. Thank you so much for your consideration.

Sincerely,

Claire Williams, Class of 2004
